

Abacus Trainer 2 ~ (MultipliedBy9_Ans12)

01. $995 \times 991 = \underline{986045}$

02. $995 \times 993 = \underline{988035}$

03. $999 \times 995 = \underline{994005}$

04. $991 \times 995 = \underline{986045}$

05. $996 \times 995 = \underline{991020}$

06. $999 \times 991 = \underline{990009}$

07. $993 \times 998 = \underline{991014}$

08. $995 \times 996 = \underline{991020}$

09. $998 \times 991 = \underline{989018}$

10. $998 \times 993 = \underline{991014}$

11. $998 \times 994 = \underline{992012}$

12. $997 \times 992 = \underline{989024}$

13. $996 \times 999 = \underline{995004}$

14. $992 \times 994 = \underline{986048}$

15. $992 \times 998 = \underline{990016}$

16. $995 \times 997 = \underline{992015}$

17. $991 \times 993 = \underline{984063}$

18. $993 \times 999 = \underline{992007}$

19. $995 \times 999 = \underline{994005}$

20. $998 \times 992 = \underline{990016}$

21. $994 \times 998 = \underline{992012}$

22. $998 \times 997 = \underline{995006}$

23. $994 \times 992 = \underline{986048}$

24. $997 \times 994 = \underline{991018}$

25. $993 \times 995 = \underline{988035}$

26. $991 \times 994 = \underline{985054}$

27. $991 \times 996 = \underline{987036}$

28. $991 \times 998 = \underline{989018}$

29. $994 \times 997 = \underline{991018}$

30. $999 \times 997 = \underline{996003}$
